

How To Download Your Files

Situate a time with your Arc representative that your files will be accessible on our FTP site. Inform your representative of your preference for a file name. If you don't have a preference we will assign you with a name along with a password for retrieving your files. Then,

Go To: <http://www.gtc2.com/arcrepro/files/Download/>

Find your file name (situated above), right click on it and select [\[Save Target As\]](#) which will put your file on your computer.

Please note: Your files will be accessible for 30 days. After 30 days, they will be deleted. If you have any questions or concerns, please email Kevin at kevin@arcrepro.com
